

Dimension –

Technical Specification -

Body : Forged Brass – Y design.

Filter : SS 304 – 800 microns perforated screen.

Medium : Water.

Pressure : PN 16 (16 kg/cm²)

End connection : Female threaded BSP

Size (mm) : 15, 20, 25, 32, 40, 50.

All parts are nontoxic – suitable for potable water.
